Description:

How often do golfers make a hole in one? What are the chances you'll catch a foul ball at a baseball game? How often do Number 1 draft picks become Super Bowl winners? This book is the perfect combination of little-known stats, amazing plays, and fun facts. Not only will we address all the burning questions that curious sports fans want to know, this book will highlight some incredible moments and underscore exactly how special those highlight-reel plays are.

I purchased this book for one of my sons for Christmas, but had to take a peek before. It has such amazing stories! Some are bloopers with

images that kids will get a kick out of. Other stories shared were about athletes making impossible records. This book is inspirational and motivating; and it really is a fun, educational read. Makes you realize that anything is possible.
